Dear Valued Business Partners,

Once Again, The Union County Chamber of Commerce will be hosting a series of summer music concerts called “First Thursday Music on Main”. They will take place each month during the summer months at the newly renovated “The Depot”, located at 119 West Main Street.

We see this as an opportunity to highlight our historic and beautiful downtown all while providing some much-needed entertainment for our community.

For this event to reach its full potential, we are depending on the support of our business partners. Together, through sponsorships we will make this a successful event for the community.

And talk about bang for your buck! Your organizations brand and will be visible for not just one of the concerts but **ALL** of the concerts. To even sweeten that, “The Chamber” will be promoting the event and your brand all summer long in association with the summer concert series!

As, you can imagine, time is not on our side with this particular event as we are quickly approaching the first of the events. If you would like to sponsor this unique concert series please complete the attached form and return no later than May 31st, 2021. I am including an incomplete flyer for your viewing. A few things are missing, and one of those is your logo!

As Always, Thank You!
