8:30AM TO 2:30PM

January 17, 2023

Dear Local Business Partner,

The Union County Development Board realizes, that from a business standpoint, no resource is as important as the human resource. In an effort to ensure that our students have the knowledge base to excel as productive members of the Union County business community, we have partnered with the Union County School District to bring to you a county wide career day.

On March 30th, 2023 approximately 2,800 4th through 12th grade students will fill the **Union County High School** for a County Wide Career Day. The program will begin at 8:30 am and conclude at 2pm.

We are requesting that local industries, small businesses, and government entities join us to demonstrate the careers that make your organization thrive. Exhibit booths will be available in the as well as outdoor space to demonstrate heavy equipment. As you can imagine, a feat of this magnitude will require plenty of planning and funding.

If you would like for your organization to participate in the *2023 Union County Career Day* please complete the attached participation information and return to us no later than February 24th, 2023.

We also have some fantastic sponsorship opportunities that will get your organization and brand the extra recognition that you desire. Your logo and brand information will appear in the home of every student that attends the event. Please see the attached sponsorship opportunities.

Please don't hesitate to reach out to me with any questions you may have.

Sincerely,

Jami Trammell
Deputy Director
